Brenda had the best, most infectious laugh and loved every student she supported. She was kind, dedicated and loved being a mom. You could often hear her bragging about her sons in their hockey and soccer seasons, she was so proud of them always! My sincerest condolences to you all, God gained the most beautiful Angel!

I am truly saddened to hear of her passing as I have so many good memories with Brenda, at work and sitting on a bleacher somewhere watching our kids play hockey. Her pride in her family was remarkable. Rest in peace Brenda.

Relation: Childhood friend

Brenda, you are gone much too soon. We should have had so many years left to reminisce over memories from elementary through to high school--all those laughs in band practice, passing notes in

the Chemistry lab. We managed to reconnect too seldom over the years since, but I always expected there would be more opportunities in the years to come. This photo was taken during the Strongfield homecoming in 2017--my daughter Sarah took it, and I remember how we laughed when she said, "Now I know why my Mom is the way she is--she is like the friends she had in her childhood." If that truly can be said of me, then I hope I do reflect the warmth of your loving heart, your kindness and good cheer. I so wish we had been granted more time with you, and I am heartbroken to hear that you have left us. Nevertheless, you will remain in our hearts, and your memory will be a blessing to us always. We love you, Brenda.

My sincerest condolences to Uncle Camille, Paul, Derrick, and Matthew. Wishing you and your family peace during this difficult time. Aunty Brenda was an amazing person who truly had such a kind soul. When I would stay at my grandparents, I remember being so excited when I would hear the gate open as it usually meant Aunty Brenda was there to fill the water jugs and come visit! She will be missed greatly by her family, friends, and the students she supported.

Am very sorry for your loss to the family and all the hearts that have been touched by this amazing and incredible woman.

Brenda to me was known as Mrs.Boulianne from my younger years of Grade 3 at elementary school. She was so warm hearted and passionate in being my teachers help aid. My success was because of her impact on pushing me forward to not letting others take me down and define how I am. Later on in high school I got magically blessed to have her by my side once again in helping me with getting extra curriculums plus my drivers. Her support was always filled with kindness, love and care. She will be forever missed terribly. May her memory be forever eternal.
