Tribute from Charles Dechambre

Relation: Hubish

Awe, My little Charmy Pebbles. My beautiful Rockstar, i miss you and i love you. I will always love you. Maybe we'll meet again one day somewhere else. Thanks for visiting me as a little ghost. I will hold on to you as long as i can. You were the best person in the whole world everytime you would show up at my place and yell up to my window "Charles, Open the door" Always Lovely and thoughtful. I loved you for who you were completely imperfections and all. We had Amazing times together on the road and in the church. We still managed even through homelessness winters and you made so much progress learning new things with me. Rest good honey and stay with me. Awe, i love you sweetie.
