Tribute from Paul E Boisvert

Relation: Long-time acquaintance...

I wish to extend my most sincere condolences to Cleophus' family at the passing of this fine gentleman. I first got to know "Cleo" some 25 years ago when he got involved with Alberta 55+ in his favorite sport, golf. For many years he was a great representative for Zone 7 The Lakeland, at competitions throughout Alberta. He will be remembered as a true sportsman and gentleman by all who played with or against him. May knowing that he is in the thoughts and prayers of many help ease the pain the family feels as they mourn his passing.

I would like to offer my sincere condolences to all family members on Cleo passing. He was a special man and will be missed by many. All of us who had dealings with him respected his knowledge and abilities to conduct business in a professional manner.
