My condolences to the family. I was in New Zealand when I heard the sad news. It is always hard to lose a sister, a mother and grandmother and nothing really eases the pain except the love of those around you and time. Rewi and I send you all our love and prayers

Tribute from Deloris Brodziak

Relation: Friends

My sincere sympathies to Donnas family. I knew Donna since high school, in St Paul. She was in my brother & my husbands class, and was a year ahead of me. No matter when or where'd I'd see Donna she was always so happy to see me, and we would catch up with whatever was happening in our lives. I last saw her in Sobeyes, about a year ago. We were already in lock down, for COVID and were masked up. When we were saying goodbye, she said "to hell with the rules, we're hugging! " We gave each other the biggest hug, never to know that would be the last time I would see her. She so missed her granddaughter, and is now reunited with her for eternity. Rest In Peace, Donna. You were such a good person.
