Tribute from Diane Laschowski

Relation: Former work associate and friend

My deepest Sympathy to your family Terry. In the very early years of my career I worked under the supervision and guidance of Elsie at Fish & Wildlife. To this day when asked who influenced my professional career the most? I reply, Elsie. She was a patient and knowledgeable mentor. She was

also a great friend, often sharing details of her husband and children with a instant twinkle in her eyes.
May your many memories help you through your loss.
