Relation: Cousin

We wish you healing and peace along with an understanding that you are surrounded by much love.

We are so sorry for your loss and are thinking of you during this difficult time.

Although we can not be there to show our support, please know that we are in spirit. Watching Florence's service has provided a peace of mind and seeing Jim and Judy dance...WoW...I know Florence was beaming in heavenly joy.

Tribute from Colette Shockey

Relation: Niece

My deepest sympathy, love, thoughts and prayers are with you and your families, Judy and Jim. So sorry to hear and sorry to not be able to attend, but with you in spirit. Watching the video was truly heartwarming and your dance in her honour, by the grace of God, expressed to all a strong and faithful love where words fall short. She is surely resting in peace. Her quiet, gentle and loving heart touched MANY lives, including mine. Miss her, love her, and may all our lovely memories be a peace and consolation. God bless you for the way you gathered to let her go to her eternal rest. Sending love and hugs. xoxo
