Tribute from Vi Trefanenko

Relation: Friend

You will never be forgotten, rest in peace my friend. Sincere condolences to all the family members.

Tribute from Jackie Stewart

Relation: Niece

You are gone but not forgotten. So many memories come rushing in. The Mad hatter chips, the eukalaile, the long drives asking if wanted ice cream but not stopping when we all screamed yes. You are at peace now and with your mother, your sibling, and your daughter. I love you Uncle Freddie.

Tribute from Pamela Kyle

Relation: Heâ€™s my uncle

You are now at peace with your siblings and daughter. I remember having lots of fun times with you as a child, camping, playing the guitar around the campfire and trying to teach me the guitar. You will be missed by your family and friends, RIP.
