Relation: Historical roots and family acquaintances

Germaine Champagne (Mahé) de St-Vincent était de la génération des 5 frères Mahé de Ste-Lina, dont mon père. Bien que pas parents, les parents des 2 familles étaient des immigrants de la Bretagne en France. Ils ont partagé plusieurs dimanches après-midi ensemble, incluant d'autres compatriotes originaires de France dans la région : St-Vincent, Ste-Lina, Thérien, St-Paul). À vous tous et toutes de la brave famille Mahé / Champagne, en particulier ceux / celles que je connais (surtout anciens élèves), je vous assure de ma communion par la sympathie et dans nos racines.
