Tribute from Katrina & Steve Chapdelaine

Relation: Cousin

You can shed tears that she is gone
Or you can smile because she has lived
You can close your eyes and pray that she will come back
Or you can open your eyes and see all that she has left
Your heart can be empty because you can't see her
Or you can be full of the love that you shared
You can turn your back on tomorrow and live yesterday
Or you can be happy for tomorrow because of yesterday
You can remember her and only that she is gone
Or you can cherish her memory and let it live on
You can cry and close your mind, be empty and turn your back
Or you can do what she would want: smile, open your eyes, love and go on.
With love always

There are rare people that radiate a warmth and connection the moment you make eye contact. Jennifer had that beautiful quality as a little girl, a teenager & an adult. I think of her beautiful smile that was there instantly when I would bump into her.

I am grateful for our visit a year ago when she was in Victoria for her daughters athletic trip. It was very special to have a visit & meet 2 of her daughters.

My deepest condolences to her children, parents, brother and her love Franck to her many friends and family I am thinking of the sadness that comes with losing her too young and the joy Jennifer was in her life.
