### **Tribute from John C. Pittman**

Relation: Friend

John enjoyed the glory of all that God had created in his farming, livestock and hunting pursuits. To sit alone, quietly, in a deer blind with John, was the essence of peace and the total enjoyment of the great outdoors which he loved so much. His gentle guidance to those he loved was manifest when in his presence. My prayers are with Sylvia and his family and the joy of knowing that he is now helping God manage the heavenly duties of watching over all of his creations.
