Relation: worked for my father

Our family would like to give condolences to the Stanley family. John worked with my father many years ago when Ranger Oil had wells to look after. John will always be remembered for his strong work ethic and his dependable nature. My father passed away 2015 and would surely be wanting to say thank you for all the things John helped him with. Our hearts are with all of the Stanley family

**Tribute from Myrna**

Relation: father

I miss you dad so much, our road trips just aren't the same with you sitting shot gun. Telling me how to drive and where to go- the road was never long as I listened to your stories made the trips so memorable. I love you dad
