We would like to extend our sincere thanks to Kenny for all the times that he got up on his day off to drive my grandmother to her medical appointments in Edmonton. Kenny and Gladys were always good to people and always had a great sense of community. We are very thankful for these types of people and the quiet way that they make a difference in everyday life.

**Tribute from John Sundt**

Relation: Family Friend

My deepest sympathy to the Marsh Family on the passing of your father. I remember Mr. Marsh very well...he always had a great sense of humor and was quick with a joke. I still remember the good-natured ribbing when I would visit their home on the outskirts of Ashmont. May he rest peacefully...

Brenda, Butch and families,

We send our thoughts, and our love as your family grieves the loss of a beloved father and grandfather. We will always remember Kenny's amazing sense of humour, and quick wit. How he could make you laugh! We remember his love and kindness for all things four-legged; who will ever forget all the Hoodlums! Ken's great love for family and friends may have been rarely spoken but it was apparent in everything he did. Ken was a good man, and his presence in this world will be missed.

May you all find comfort in your many precious memories, and in knowing he's gone to be with his true love.
