Tribute from Jill Ziniewicz

Mitch would stop at the shop in Myrnam many times when Barry and I were working on trucks. He would always come with something in hand from his garden to pass along! One time he noticed I was struggling to take the lids off of the empty 5 gallon pails. He returned the next day with a hand carved wooden handle with a metal hook attached to pry off the lids! It worked great and I still have it - just in case I might need it again! Mitch had a generous heart and I know leaves a void in the lives of many especially for you, Pat and Aaron. My thoughts and prayers are with you and I hope special memories will ease your loss.
