To our good friend Lori & family ...no words can express how sorry we are for your loss.

"The heart is never ready, and the time is never right to say goodbye".

His passing was so unexpected ... try to remember all the good times together with Randy and we hope that these memories bring you some comfort and happiness. Hold on to these and smile knowing that you were able to share them with him.

We are truly going to miss him but we know how many lives he touched and for that he will definitely never be forgotten.
