Tribute from Gary Kindrat

Relation: Family Friend

Joan, Darlene, David and Dwaine:

My deepest condolences on Bob's passing. My heart goes out to all of you, especially to you Joan. In knowing Bob, he has taught me the meaning of resilience and acceptance. To endure the challenges he faced this past few years and to see him take it as it was dealt to him exemplified the positive "I not giving up" attitude he had. I hope you will find comfort in all the messages that come your way. I am especially relieved that there was time to say goodbye.

Thinking of you especially during this difficult time.

Love,

Gary Kindrat
