Tribute from Sherryl Maglione

Relation: relative and former co-worker

My dear Rena, Candace, and family: I am so sorry to hear about your baby boy -- I well remember how he used to always come to Kihew Asiniy and visit his kokom and hang around her -- he knew where he was loved. There are no words to explain the sorrow you are going through and there seems no reason why things like this happen -- life is so hard. Hugs to you and your family from me and my mom and dad. Sherryl, Sophie, and Carmine Maglione
