Tribute from Cameron Kirkpatrick

Relation: Co-worker

Please accept my sincerest condolences. Sloane was such a great person, and one I could always go to for - well, anything, really. We worked together at the Windsor Salt Plant, and he knew absolutely everything about the place; I'm pretty sure he was everyone's go-to person for any issue. He was larger than life in every way, and his laugh was infectious. Be comforted by the fact that he always spoke in loving terms about his family.

Great man. Great loss.

Tribute from David Dacyk

Relation: relative

So sorry to hear. Keeping you all in my prayers.
