Grace Gardens Funeral Chapel Staff send our condolences to family and friends.

Tribute from Janet

Relation: I cared for her during the day in the Ltc unit

My absolute deepest condolences to sophie's family and friends on your tremendous loss , I had the pleasure of taking care of her assisting her with care , she had wonderful and unique sense of humor and made me laugh all the time . My first time meeting her I was getting her ready for the day and she looked all growly I do not remember exactly what she said but I am sure the look on my face was the reason she burst out laughing and said she was joking around lol she quickly became a friend to me and I enjoyed the short time I was with her she used to ask me every morning if her hair looked like a porcupine it was always sticking straight up in the air !

She was kind and honest and for that I respected her I will be planting a tree on my property for Sophie x
